

STATE OF WASHINGTON
— OFFICE OF GOVERNOR JAY INSLEE —

**PROCLAMATION BY THE GOVERNOR
AMENDING 20-05 and RESCINDING 20-48, et seq.**

20-48.11

**Department of Licensing – CDL Health Certificates
and Other Requirements**

WHEREAS, on February 29, 2020, I issued Proclamation 20-05, proclaiming a State of Emergency for all counties throughout Washington State as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed person-to-person spread of COVID-19 in Washington State; and

WHEREAS, as a result of the continued worldwide spread of COVID-19, its significant progression in Washington State, and the high risk it poses to our most vulnerable populations, I have subsequently issued several amendatory proclamations, exercising my emergency powers under RCW 43.06.220 by prohibiting certain activities and waiving and suspending specified laws and regulations; and

WHEREAS, the COVID-19 disease, caused by a virus that spreads easily from person to person which may result in serious illness or death and has been classified by the World Health Organization as a worldwide pandemic, has broadly spread throughout Washington State, significantly increasing the threat of serious associated health risks statewide; and

WHEREAS, the number of cases of COVID-19 and associated deaths continues to increase, demonstrating the ongoing, present, and persistent threat of this lethal disease; and

WHEREAS, the response to and impacts of the COVID-19 State of Emergency on many state and local government agencies and offices has significantly impacted their ability to adequately staff and supply various administrative and operational activities, resulting in many agencies, including the Washington State Department of Licensing, conducting limited operations; and

WHEREAS, commercial drivers are critical to the transportation of essential goods in the supply chain throughout Washington State and are subject to federal and state regulations in obtaining, renewing, and retaining commercial driver licenses and permits; and

WHEREAS, on April 14, 2020, I issued Proclamation 20-48, waiving and suspending statutes and prohibiting certain activities relating to Commercial Driver License and Commercial Learner Permit holders; and

WHEREAS, under the provisions of RCW 43.06.220(4), the statutory waivers and suspensions of Proclamation 20-48, et seq., have been periodically extended by the leadership of the

Washington State Senate and House of Representatives, and which I have acknowledged and similarly extended the prohibitions therein in subsequent sequentially numbered proclamations; and

WHEREAS, on January 15, 2021, under the provisions of RCW 43.06.220(4), the statutory waivers and suspensions of Proclamation 20-48, et seq., were extended by Senate Concurrent Resolution 8402 until the termination of the state of emergency pursuant to RCW 43.06.210, or until rescinded, whichever occurs first; and

WHEREAS, although the COVID-19 disease continues to persist as an ongoing and present threat in Washington State, the measures we have taken together as Washingtonians over the past 24 months, including the willingness of Washingtonians to take advantage of the remarkable, life-saving vaccines being administered throughout the state, have made a difference and have altered the course of the pandemic in fundamental ways; and

WHEREAS, although Department of Health statistics reflect the continued persistence of COVID-19 and support the continuation of the state of emergency, health experts and epidemiological modeling experts believe that as a state we have made adequate progress against COVID-19 to begin rescinding or modifying amendatory proclamations related to specific health issues; and

WHEREAS, in late February 2022, relevant Federal Motor Carrier Safety Act waivers expired and were not extended, and the Department of Licensing has reasonable capacity to serve its customers safely; and

WHEREAS, the Department of Health continues to maintain a Public Health Incident Management Team in coordination with the State Emergency Operations Center and other supporting state agencies to manage the public health aspects of the incident; and

WHEREAS, the Washington State Military Department Emergency Management Division, through the State Emergency Operations Center, continues coordinating resources across state government to support the Department of Health and local health officials in alleviating the impacts to people, property, and infrastructure, and continues coordinating with the Department of Health in assessing the impacts and long-term effects of the incident on Washington State and its people.

NOW, THEREFORE, I, Jay Inslee, Governor of the state of Washington, immediately terminate and rescind Emergency Proclamation 20-48, et seq., pursuant to RCW 43.06.210. In addition, as a result of the above-noted situation, and under Chapters 38.08, 38.52, and 43.06 RCW, I also hereby proclaim that a state of emergency continues to exist in all counties of Washington State, and that Proclamation 20-05 and all amendments thereto remain in effect as otherwise amended.

I continue to direct that the plans and procedures of the *Washington State Comprehensive Emergency Management Plan* be implemented throughout state government. State agencies and departments are directed to continue utilizing state resources and doing everything reasonably possible to support implementation of the *Washington State Comprehensive Emergency*
