

STATE OF WASHINGTON
OFFICE OF GOVERNOR JAY INSLEE

EMERGENCY PROCLAMATION BY THE GOVERNOR

22-05

SR506 Overpass Damage

WHEREAS, on September 22, 2022, the State Route 506/108 bridge over Interstate 5 (SR 506 overpass) was severely damaged when an over-height load heading northbound on Interstate 5 struck the SR 506 overpass where it crosses Interstate 5 near milepost 60 in Lewis County, Washington; and

WHEREAS, the damage sustained to the SR 506 overpass will require replacement of one span of the structure; and

WHEREAS, the Washington State Department of Transportation took emergency measures, closing travel lanes to restrict traffic from traveling over the damaged girders; and

WHEREAS, the estimated cost to repair the damage from the collision is over \$1,000,000; and

WHEREAS, the Washington State Secretary of Transportation approved necessary interstate highway closures. These emergency conditions caused, and continue to require, limited access to affected roadways for a significant period and will require the emergency procurement of a contractor to repair the damage; and

WHEREAS, the Washington State Department of Transportation is coordinating resources to repair the roadway and is working to implement repairs; and

WHEREAS, the overpass damage and its effects impact the life and health of our citizens, as well as the property and transportation infrastructure of Washington State, all of which affect life, health, property, and the public peace, and constitute a public emergency demanding immediate action.

NOW, THEREFORE, I, Jay R. Inslee, Governor of the state of Washington, as a result of the above-noted situation and under Chapters 38.52 and 43.06 RCW, do hereby proclaim that a State of Emergency exists in Lewis County in the state of Washington, and direct the plans and procedures in the Washington State Comprehensive Emergency Management Plan be implemented. State agencies and departments are directed to utilize state resources and to do everything reasonably possible to assist affected political subdivisions in an effort to respond to and recover from the incident.
